Graph Paper User Guide

Chapter 1. Introduction

1.1. Overview

Graph Paper is an idea organizing application such as mind mapping with handwriting for Android tablets.

1.2. Key Features

- Directly channel your thoughts using Stylus and Finger
- Multiple mindmaps (central nodes) in one document
- PDF Export (Premium Subscription)
- Multiple Pen Colors (Premium Subscription)

1.3. Requirements

- Android 4.4 Kitkat or newer
- An Android tablet with S-Pen or Digitizer Stylus.

This app is designed for Digitizer Stylus such as S-Pen.

If your android device does not have Digitizer Stylus support, you can choose **Non S-Pen Mode** in Settings.

1.4. Installation

Get the [Graph Paper for S-Pen](#) app on Google Play.

1.5. Getting help

If you have any questions, please [make contact](#). And also your feedback will be much appreciated.

To get update information, see [Facebook](#) / [Twitter](#).

Chapter 2. Using Graph Paper

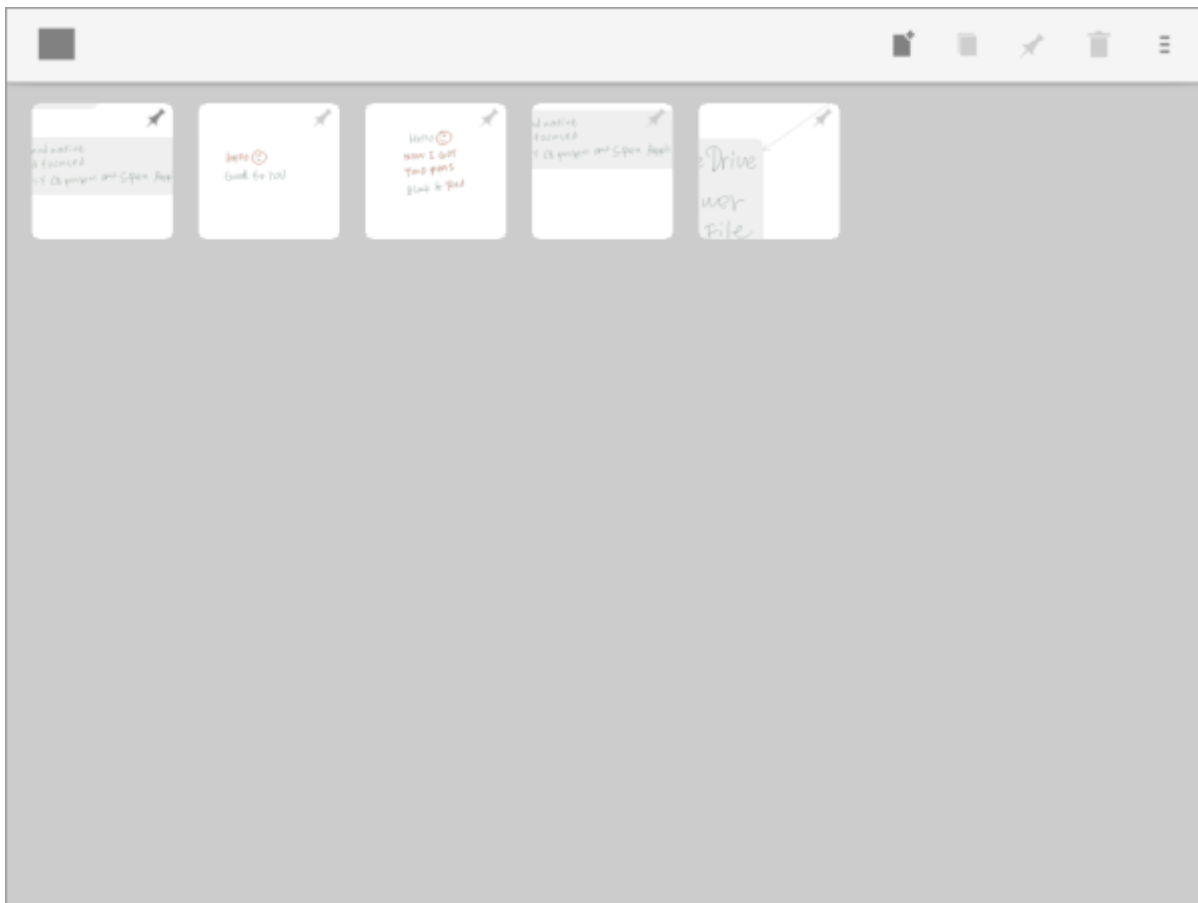

2.1. Overview

There are three screens.

- (1) File Manager
- (2) Editor
- (3) Settings (Current Settings)

2.2. (1) File Manager

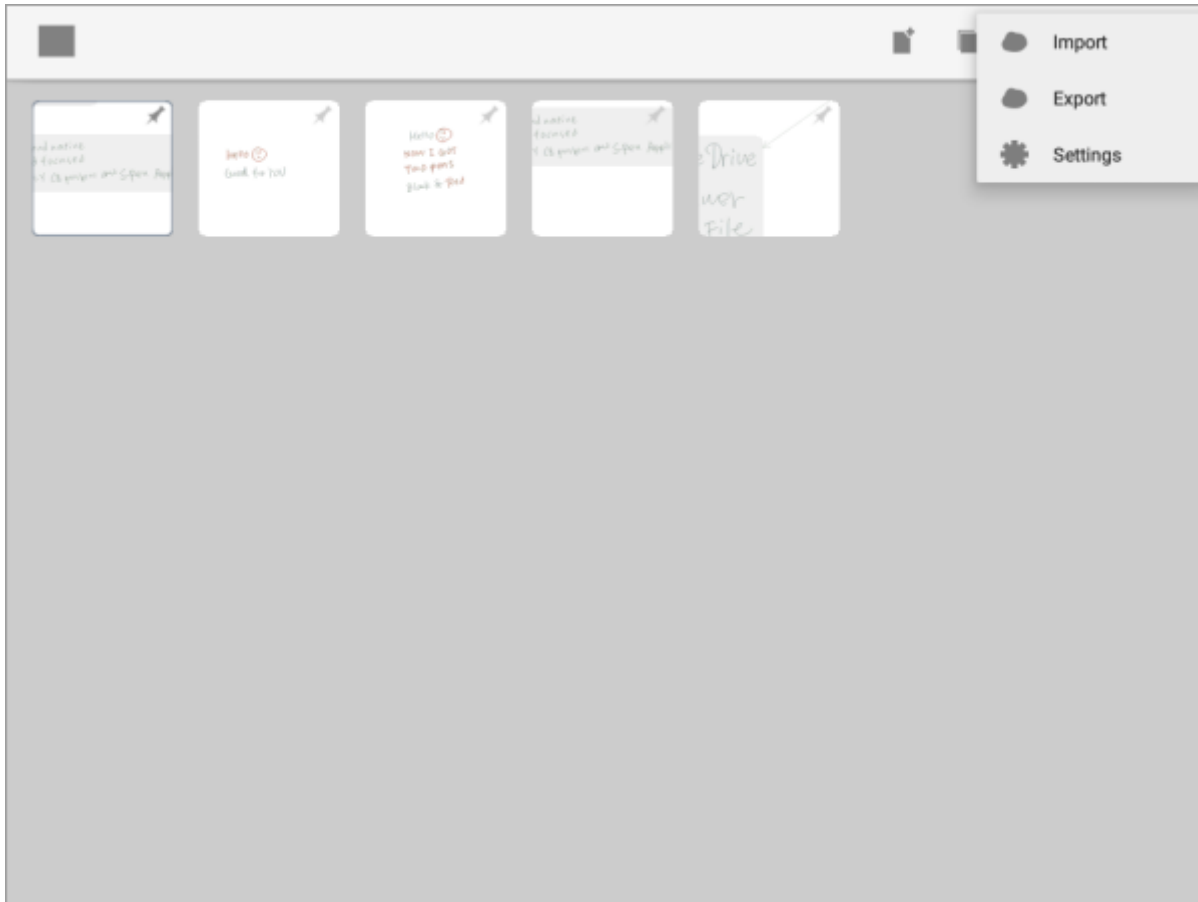

This is for document management.

-  Go Back to Editor
-  Add New document
-  Copy document
-  Pin document
